

Municipal Court

The municipal court is now offering 60 day extensions online to defendants. However, extensions online does not apply to any adjudicated case, juvenile case or minor in possession case.

Defendants must meet the following criteria to be eligible for an extension online:

- The case must be a non-adjudicated case.
(no plea on file or payment arrangements have been made to pay a citation)
- Defendant must contact the court by phone or e-mail to request a 60 day extension.
- Defendant must submit the completed extension form the same day of their request along with a copy of their driver's license or ID.
