PRESS RELEASE

Boil Water Notice Rescinded for the E. Side of W. Oak from Sheridan Dr. to Variah

PALESTINE, Texas (10/04/2019) – The Boil Water Notice for the E. Side of W. Oak between Sheridan Dr. and Variah has been rescinded. The following is the legal notice:

Boil Water Rescind Notice

On 10/02/2019, the Texas Commission on Environmental Quality (TCEQ) required our public water system, City of Palestine Utilities Department, PWS ID 0010001 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of 10/04/2019.

If you have questions, contact Felipe Garcia at 903-731-8483.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
