CITY OF PALESTINE

REQUEST FOR PROPOSALS (RFP)

CONCRETE 2019-012

Sealed Proposal Due Date: Monday, September 23, 2019 at 3:00 p.m.

I. PURPOSE

The City of Palestine (City) is soliciting Request for Proposals (RFP) for Concrete.

Sealed proposals are due to the City Secretary's Office by **Monday, September 23, 2019, at 3:00 p.m.** Sealed proposals will be opened during the Palestine City Council meeting on **Monday, September 23, 2019, at 5:30 p.m.** In order to be considered, the sealed proposal must address each of the requests for information in the Summary of Qualifications section.

II. SERVICES REQUIRED

This is a request for proposal for Concrete. It is the City's preference to award the contract to one vendor, but the City reserves the right to choose secondary vendors also. An RFP allows for price negotiations after the bid opening, so City of Palestine has chosen this bid format as a way of protecting vendors against future price increases. We have also built into this bid the ability to increase or decrease prices based on market conditions and verifications as listed below:

Market Conditions

The City is aware of the extreme market fluctuations occurring for these products, so we are striving to arrive at a bid format that satisfies state bid law and also protects vendors against future price increases. To protect the vendor and the City, we will ask your company to establish a baseline price for the commodities listed. Prices can be negotiated after bids are opened. Then, based on increases and decreases that occur to the listed products over the term of the agreement, the City will allow increases or decreases in the same amount as the market changes.

However, the winning vendor(s) will be asked to provide documentation proving a change in price has occurred. If prices decrease over the term of this agreement, the winning vendor(s) will be expected to pass along those decreases in pricing. The City will assume that by submitting a bid under this format

that your company agrees to this market protection. If you have a different method of price protection, please include your information in your response.

IV. GENERAL INFORMATION

The City of Palestine is a home rule City located in Anderson County and has a population of approximately 18,712 per the 2010 U.S. Census estimate. The City operates under a Council-Manager form of government with a Mayor, six (6) Council Members, and a City Manager. The Council Members are elected from single member districts, with the Mayor elected at large. The City Manager is the Chief Executive Officer of the City. bid award, vendors who have been awarded a contract and wish to propose adjusted pricing to the agreement due to changes in the market must do so through certified mail or via e-mail to the Purchasing Department. Documentation verifying the reason for the price increase must be sent as part of the request. Upon review of adjusted proposals, the City of Palestine may elect to dissolve the existing contract upon its expiration date or accept the price increase
